Loon Mountain Resort is located in the heart of the White Mountain National Forest, and operates in partnership with the USDA Forest Service to create an incredible vacation experience in a spectacular outdoor setting. It's a habitat and a heritage we're working hard to celebrate and protect. To learn more about this region's natural resources and beauty, visit fs.usda.gov/whitemountain.
PRESERVING THE ENVIRONMENT
By recycling, reusing, improving our energy efficiency and doing our part to establish a clean air zone, Loon is helping to protect the environment. To find out more about Loon's sustainable initiatives, and to see how you can participate, visit LoonMtn.com.
