Breck
Breckenridge Ski Resort is made up of five distinct peaks, each with its own personality and purpose. **Welcome!**

Breckenridge Ski Resort is operated under a special-use permit with the White River National Forest.

CAUTION: SNOWCATS, SNOWMOBILES AND SNOWMAKING EQUIPMENT MAY BE ENCOUNTERED AT ANY TIME.

Peak 10
Turn it up to expert-only Peak 10 and take it to the max. Up your game to the farthest reaches of the Five Peaks on the six-passenger Falcon SuperChair. Whether you're an extreme skier, a powder hound, or an aspiring racer, unleash your wildest dreams right here.

Peak 9
For those who are new to the sport, or for those who want to work their way up to the pros, you'll find your own kind of paradise at Peak 9. You'll find everything you'd want to get started and keep growing with two ski schools, ideal learning terrain for beginners and bonus trails for intermediates who want to elevate their skills to the next level.

Peak 8
Peak 8 is the heartbeat of the resort and the hub of all the action. This quintessential Breck Peak has something for everyone–from beginners to experts, from kids to kids-at-heart, thrill seekers to park lappers, from groomers to high alpine bowl skiing and riding.

Peak 7
If you're looking to get up and go, this no-fuss, understated peak will get you a one-way ticket to an easy breezy day. With perfect corduroy cruising and easy access to high-alpine steeps you can carve your own piece of heaven right here.

Peak 6
Take all your senses on a ride through boot-deep powder and expansive bowls. The possibilities are endless with above treeline, hike-to-terrain, and tree skiing. This is what the finest, high-alpine skiing is all about

CLOSURE AREA INFORMATION
Terrain at Breckenridge is evaluated daily for weather and avalanche concerns and may be open or closed at any time as conditions dictate. Never duck a rope line even if terrain is open on the other side. You must enter through open access gates only. Violators will lose skiing or riding privileges.

If found in closed terrain, you may be subject to legal prosecution AND the loss of skiing and riding privileges. Snowcats, snowmobiles, AND unmarked obstacles, may be encountered at any time. NON-LIFT ACCESS TO SKI AREA FACILITIES SUCH AS UPHILL SNOWSHOEING, HIKING, OR "SKINNING" MAY PRESENT HIGH DANGER OF PERSONAL INJURY TO PARTICIPANTS OR OTHERS AND THEREFORE IS LIMITED TO DESIGNATED ROUTES DURING NON-OPERATING HOURS OR FORBIDDEN BASED ON CONDITIONS, ON MOUNTAIN ACTIVITY AND/OR MOUNTAIN POLICY. PLEASE CHECK WITH THE RESORT PRIOR TO ACCESS.
Call the trails hotline at 970.547.5627 for updated information.

Be aware of where you are skiing/riding and know your abilities as they relate to high alpine terrain. At any point you may encounter steep pitches, unmarked obstacles, man-made moguls, or other terrain beyond your abilities. Rescue for these areas can take time.

PRO TIP
Done skiing for the day? Skip the Gondola Line and ski back to your car or town via Lower 4 O'Clock
